## Inter-club Championship Drawing

*This drawing replaces the previous award of one box of shells for every shooter who entered two or more events.*

*The purpose of the drawing is to encourage shooters and scorekeepers to come out and support the clubs. Even if you shoot or score only once, you may win!*

*At each event, shooters may enter their name into the drawing list at sign-in. Also, scorekeepers may enter by printing their name on the score sheet. Each participant, scorekeeper or shooter, may enter the drawing once at every event. Yes, the more you enter the better your chance of winning.*

*After the last event, scores tallied and awards presented, five names will be selected by random\* from the drawing list. The selected names receive equal cash prizes. Each prize is one fifth (almost) the money received minus the money spent for the championship.*

*\*We will be using the Third-Party Draw Service at [Random.org](http://Random.org)*
