I do hereby waive any and all claims for damage against Black Diamond Gun Club (BDGC), its members, officers, or owners of any area where BDGC activities may take place, arising from my participation in any BDGC activity. I further agree to abide by all safety regulations of BDGC and I understand, failure to comply with said regulations would result in my suspension from BDGC, or removal from the activity. I further certify, I am over 18 years of age or have the permission to participate and am accompanied by a legal guardian or parent during my participation in BDGC activities. I have never been convicted of a crime of violence, nor am I currently under indictment for a felony. I further state, the skills learned through BDGC will be used for sport or legitimate self-defense. I understand, I will not be allowed to participate in BDGC activities unless BDGC has this Waiver of Damages completed by me or my legal guardian or parent in its possession prior to my registering to participate in said activities.

BLACK DIAMOND GUN CLUB MEMBERSHIP AGREEMENT

- I agree to follow the safety and membership rules listed below:
- I will always use my gate card upon entering and leaving the club. This rule does not apply during regular business hours or during special functions.
- I understand, I am allowed to bring a guest and introduce them to the club facilities. I will always be in direct supervision of their actions. Public shooting fees will apply to guest use of the facilities. Abuse of the guest privileges will result in revoking or restricting my guest privileges.
- Members of my immediate family, spouse, and siblings under 18 years of age are welcome any time while in my presence and under my direct supervision.
- I understand, sharing a membership or gate access (lending my gate card to anyone including family member) is cause for automatic termination of membership. Lost gate card fee is \$5.00.
- I understand, EAR AND EYE protection is required on all ranges.

PISTOL/RIFLE RANGE RULES

- I agree to follow all safety rules listed at the rifle range.
- I understand there will be no handling of firearms in any manner, and all shooters will remain behind the red line when anyone is down range, or while a cease fire has been declared. All actions will be open, magazines out, chambers cleared, and guns will be flat on the bench, in the rack, or boxed. Violation of this rule can result in termination of membership without refund on the first offense.
- I understand members who do not obey the red line rule are not welcome in our club and their membership will be terminated.
- I will insist everyone else on the rifle range follow the red line rule. If they refuse, I shall report them to the club's leadership.
- I will shoot only at paper targets. I realize tin cans, bottles, clay targets, and other objects are not proper targets and become trash left on the range.
- I agree to do my best to ensure all bullets stay on the rifle range by placing all targets high enough on the target frames so my bullets will hit the dirt berm behind the target. I understand bullets hitting the ground before the berm can ricochet off the range and could harm someone.
- I will never load my gun until I am ready to shoot and keep my finger off the trigger until I am on target.
- I understand the ranges are open only when a Range Safety Officer is present and the RSO has complete authority over the ranges.

SHOTGUN RANGE

- I agree to follow the shotgun safety rules displayed inside and outside the clubhouse.

- I agree to have my shotgun action open except when actually shooting or when placing a break action shotgun in gun rack.
- I will never close my gun or put my finger on the trigger until ready to shoot.
- I agree my shotgun will be empty of ammo and the action open when changing stations or when someone goes to the trap house.
- I will never load more than one shell at a time except when shooting doubles or continental.
- I will not shoulder my firearm or let someone else shoulder it unless on the shot gun range.
